**Subject: “World of Bentley” showroom, Sh. Zayed Road, Dubai - Letter of reference**

Dear Sanuj,

With well earned respect, I confidently recommend the LEME Lighting team for future Bentley projects and other lighting projects. I am writing this letter to thank LEME Lighting for its outstanding work on Bentley’s first independent showroom in the world on Sheikh Zayed Road in Dubai.

LEME Lighting joined the project at a very busy and critical time. Given that the showroom is the first standalone Bentley showroom globally, the team was able to quickly understand the objectives and priorities and make positive, quality contributions to the design, installation, and testing processes. LEME Lighting was always prepared to proactively identify options and solutions to challenges inevitably occurring in a complex project. The quality of your work and commitment to the project were recognized by the entire Bentley team.

It was a pleasure working with LEME Lighting and I would highly recommend your company on a future project.

Yours Sincerely,  
For Al Habtoor Motors Co. LLC
