Dear Sanuj,

With reference to the above subject, we write to express our appreciation for a great job well done by LEME Lighting, for completing the design and supply of LED lighting fixtures for both external and internal lighting.

As you know that this was a prestigious and important project for Emirates NBD to continue with its growth in the region. We were extremely satisfied with your team's knowledge and expertise in advising us with our LED lighting requirements for the entire project.

We look forward to working together on future projects and were very pleased to have the opportunity to work with your design and supply team at LEME Lighting, we eagerly await our future projects together.
