SUBJECT: LETTER OF RECOMMENDATION

To whom it may concern,

On behalf of KPS, a leading international company specialising in providing interior construction services within the office, hospitality, retail, food and beverage, technology, education and healthcare sectors. Please accept this letter as my highest recommendation of the lighting firm, LEME Lighting. I have had the opportunity to work closely with LEME Lighting over the past year through a variety of construction projects and as a result of their excellent work, they have quickly become our preferred lighting supplier on several key projects.

LEME Lighting has continued to provide turnkey solutions for our projects from Lighting design to supply and demonstrated outstanding technical knowledge and after sales support. Their work is always done with quality and professionalism in mind. Schedules have been maintained and all projects have been completed on time. I have consistently found their management of each project to be among "best of class" in quality control, schedule, cost management and overall project administration.

We will continue to use LEME Lighting in all our projects. I highly recommend their products and services for your upcoming project.

**Yours Sincerely,
On behalf of KPS L.L.C**
